ROOF APPEAL

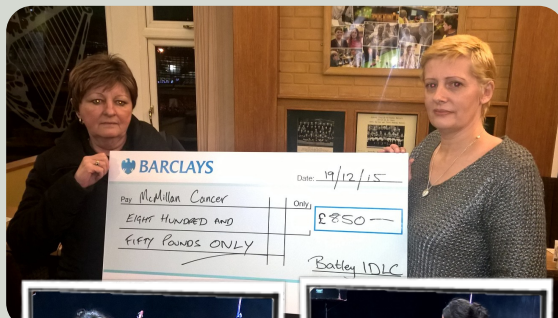

Our Charity Ladies have taken the call to arms in supporting our local Parish Church, St Mary's. The Church is now in desperate need of a new roof and of which you can imagine is going to be very expensive. With the support from The Club we intend to make a series of fund raisers throughout the year to try and help the burden and preserving our Church. The first event will take place on Sunday 14th February (afternoon). Where the old favourites like a Tombol a Raffle and Play Your Cards Right will be out to tempt your money. We hope you can participate and donate generously.

Thank you.

MACMILLAN. CANCER SUPPORT

On behalf of Mary Mariner and good friend Yvonne Bolas, thank you. Mary organised last year a charity head shave which raised an amazing £850 in just one afternoon!

The figure quickly increased when Dean Ormsby was peer pressured into the chair! Well done Dean, Well done to Eddie too. All for a superb cause. Big thanks to Linzie for donating her professional services.

Remember to book off work.

Updates from The Secretary

Hello and Welcome. Just a brief update and keeping our Members in the loop. Subscriptions can still be paid. If you haven't paid yet then please do. You can leave your Membership Card and money at the Bar, where they will be processed over a weekend. Please remember to call and collect any cards you've left. From the 1st April, Subscriptions will increase to £7, so if your paying after this date this will be the new fee. Any subs after the 1st April will also incur a £1 late fee.

We've seen a significant increase in new member applications this year. Many of which are from other clubs which have now closed or they simply prefer ours! New members make up the short fall on members who no longer use the club or who no longer renew their subscriptions. I believe it evens itself out. Please note that we won't accept new applications for membership on the back of forecast sheets!

We're currently waiting on two independent reports on lighting. Aim is to see if what we have now can be replaced with LED equivalents, which will in turn save us money.

Apologies for the lack of WiFi recently. Basically been one thing after another. First it was the line, which was then fixed. But still it didn't work. Then it was the router. It's a BT line but the Sky provide the service. Can imagine getting them to talk to each other to sort it out! We'll hopefully have a temporary solution within the next day or two. On with apologies, the snooker clocks are to be altered. Sadly, you won't have quite as long as before. We still think that time is generous and fair. Reduced from 21minutes to 15minutes.
