

Our new solar panels, fitted and working. Located at the rear of the Club, out of general view. They're a 16 panel 3.92Kw PV System. For every Kw they generate the Club receives 43.3pence. Whether we use the energy or not. Our commitment is lowering bills and going green!

## Laura Stainburn

Remember to say 'well done Laura', the next time you see her. Just to mention a big thanks to all our staff. They've worked extremely hard over the year, especially this festive Period. Making sure we all have the best possible time. Thanks.

## Emergency Only

Please note that the outside gates must not be used to exit or enter the club.

Our recent Fire Assessment highlighted the fact they were being used regular to enter and leave the Club. The Gates are designed to be used in Emergency conditions only. Please use the appropriate exit and entrance of the club.

Total Pints sold in Month	19,841.5	28,082.5

## CAMPAIGN FOR REAL ALE

The Club recently became a member of CAMRA in a bid to promote real ale, especially when its a new introduction to our own bar. We hope that CAMRA too will be able to support our own real ale sales by encouraging new faces and new drinkers to the Club.

Black Sheep has seen a significant growth in sales, we hope that this continues.

However, the guest ales have not done so well. If you'd like to recommend one that you think would sell in our club. Just let us know.

Black Sheep have promised some promotional support for January. Yet to be decided. The Club has asked for T-Shirt style offer. Watch the bar for more details.

After numerous requests. The Committee are also looking into the possibility of producing special celebratory t-shirts for purchase. Marking the Club's 130<sup>th</sup> year.

## Happy Birthday

£1.30 a pint

2012 is a significant year regarding the Club. Established in 1882 you'll soon realise it's our 130<sup>th</sup> Birthday. We intend to mark the occasion with various events throughout the year. One specific event will a reduction in all draught beers, lagers, ciders etc... All selling at £ 1.30 per pint.

It's not everyday your 130!

Beginning on Wednesday 1<sup>st</sup> February and running right through the entire month. You'll be able to join in our celebrations with only £ 1.30 per pint.

Members and Guests are welcome to join us. Although non-members will be asked to pay £ 1 entrance fee (February Only). The Committee reserve the right to alter or change the offer without notice. Loyalty Card holders unfortunately shall not receive any further reductions than the one advertised.

**Thank You**, with your continued help and support the Club has made it through yet another year. Actually, as we all know now, 130 of them. Our financial situation means that we don't intend on going anywhere soon. Let's hope that we're here in another 130 years time.

**Installation** of new fire alarm system will commence shortly. Naturally disruptions we'll try to keep to a minimum. But if you could be patient the work won't last forever. Apologies in advance.

**Fire Marshall Training** has also been planned for all Staff. Hands on approach to tackling fires using the equipment available to use from the Club. Don't panic, we won't be taking over Carlinghow Fire Station just yet. Another requirement the Club is undertaking as part of our Fire Risk Assessment.
