These are unique to bona fide members and must be used by its owner, and only that individual. If you have lost your Card, then you must report it to the Bar. We ask that all Subs are paid. Since re-launching our Guest Ale before Christmas, we've seen it go from strength to strength. We're engaging with you on our 'what's next?' approach. This seems to be working. Our resident Real Ale is Black Sheep best bitter, which is popular amongst our regulars. But a new ale each week is also something exciting which you're keen to try. If you have any suggestions or recommendations, please let Danielle know.

Social Media, good or bad? I suppose it depends on how its used. For us as a thriving and respected Club it is important our image is protected. We ask our Members to be mindful of this when posting or commenting on Our/Your Club in bad light. If we fall short of something, we're happy for it to be discussed properly. Senior Officials are available after each meeting if anyone has concerns, complaints or general feedback. We'd be much happier dealing with things face to face then hearing negative comments from Members on FaceBook.
