## Seasons Greetings to all our Members & Guests.

We'd like to start by thanking each and everyone of you, for your continued support throughout this global crisis. We are a solid Club and have ridden the worst. Now we look to welcoming a New Year and another chapter in the Club's 139th year. That's some beating! Also to pass on our seasons greetings to you all. From the Committee and Staff we'd like to wish you the very best Christmas and a Happy New Year.

The refurbishment of our new Entrance/Foyer was a positive outcome we gained through lockdown. Having this done caused no inconvenience to you or others. The project was planned and approved well before COVID hit. We thank those that have given great feedback. It's certainly different and very modern.

We have a new roof to fit above the entrance and toilet areas, which were hoping to start soon. After this, we'll begin to look at other areas of improvement.

Weekly Forecast has definitely taken a hit after re-opening. We're committed to bringing it back to its full prize money. But before this can happen we need more players. Weekly prize stands at £400, which we're reviewing nearly week by week. As always, we welcome any ideas or suggestions.

General Meetings, Accounts and Nominations will all resume next year.

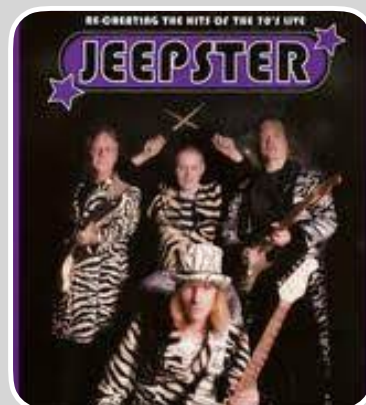

Special thank to Jean Foley, Jean and Stewart Shaw for their annual installation of the Club's Christmas Decorations.

Sadly, they'll be an increase in beer prices effective from 1st February 2022. 20p pint increase. However, we have also pledged to then hold these prices for a further 2 years. Considering our last increase was 2018, we feel this still offers great value.

Please remember to hand over your Membership Card at the Bar. It could mean you don't receive your discount otherwise!

## BAR PERSON OF THE MONTH

CAMERON CHISEN

Our bar person of the month is kindly sponsored by HB Clark.

Cameron will receive a free case of his choosing.

Keep up the hard work Cameron, well done!

If you'd like to nominate the next Bar Staff, please let us know.

## New wine selection and menu for 2022

We'll be introducing a totally new wine menu for the start of a whole new year. I hope you'll take to this new range as you did the last. We've changed and made small increases to some of the range. They'll also be choice for those who fancy the bubbles too!

## Membership Subs

Sadly, these will increase from 1st Jan 2022. We've maintained £7 subs for quite a few years, we feel its time to increase to sustain our fantastic Club. This will rise to £10, which when broken down is still less than 20p a week!

Subscriptions will be taken from 1st January onwards; can be paid directly at the Bar. Please have your Membership Card to hand. Please note that subs that are not renewed will not initiate any members discount at the bar.

New Memberships are welcome, Application Forms are available from either the Bar or via our website. [www.thenash.co.uk](http://www.thenash.co.uk)

Please note Honorary Membership is not automatic. You will need to apply.

Thank you

Please respect Staff when trying to clean toilet areas. If these are being cleaned, then we ask you to wait until they've finished or use another toilet area. Do not continue to use the facilities. Thank you.
